

Taiwan's National Parks

ESL Reading Worksheet — Level C | tahricteaches.com

Taiwan has nine **national** parks. National parks are special places. The government **protects** these areas. Animals, plants, and nature are kept safe there.

Taroko National Park is very **famous**. It has a deep canyon with tall cliffs. A river runs through the rocks. The views are **amazing**! Many tourists come to see it.

Yushan National Park has Taiwan's tallest mountain. Yushan is also called Jade Mountain. Climbers come from far away to hike it. In winter, there is **snow** on top.

Kenting National Park is in the south. It has beautiful **beaches** and warm weather. You can swim and see coral reefs. Sea turtles come to the beaches to lay eggs.

National parks are free or cost very little. You can walk on **trails** and see animals. There are birds, deer, and even bears! Visiting a national park is a great way to **enjoy** Taiwan's nature.
