Reading Worksheet — Level C | [tahricteaches.com](http://tahricteaches.com)

Everyone loves a good **story**. Stories help us learn and have fun. We can tell stories to our friends and our family. Some stories are true, and some are not real. English stories can take you to many new places.

Every story has a **character**. A character can be a person, an animal, or even a robot. The main character does the important things in the story. When we read, we get to know the character well. We start to care about what happens to them.

A story has a **beginning**, a middle, and an end. The beginning tells us who is in the story and where they are. The middle has the biggest problem. The **ending** shows us how the problem is fixed. A happy ending makes readers smile.

When you tell a story, use your voice in a fun way. Speak slowly and clearly so people can listen well. You can make your voice loud or soft. This makes the story more exciting for everyone who hears it.

Storytelling is a great way to learn English. You can **imagine** new worlds and practice new words. Do not be afraid to make mistakes. Just have fun and share your ideas with others. Soon, you will tell wonderful stories in English too.
