

Creative Description Practice Worksheet

Instructions (Brief):

Write three unique descriptions for each image. Each description should take about one-third of a page. Use double-spaced lines provided below each image. Explore tone, perspective, and sensory language.

A Crowded City Street at Sunset

Describe the same bustling street three ways: tired & overwhelmed, energized & excited, artistic & observant.

[illegible]

A Cup of Hot Chocolate

Describe it three times: simple sensory warmth, childhood memory, and cinematic winter moment.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.

A Bicycle Leaning Against a Wall

Describe it three times: part of someone's story, from the bike's view, as an observer noticing details.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
